Digest #154

Here's the news you need to know.

If you listen to the Reach West podcast -- an interview I call "Being on the other side of the table" and they call "The part where you're still writing your story" -- you'll find out that I enjoy working with student writers. Apropos, you can read a fine story from a summer intern who writes about the pleasures and challenges of working at Fullpower. Angels by the Sea gives an update about their funding activities. The County of Santa Cruz wins an award for their app. UCSC IEEE students are seeking tech presenters and sponsors for their upcoming conference. Read a review of the news from the Tech Meetup. And, there's more.

Scroll down and start reading.
