You know, Santa Cruz Tech Beat is not just for geeks.

Do you provide a service to the local community? Financial, legal, marketing, PR, hospitality, food service, something else?

Every day readers tell me how valuable SCTB has been to them and their bottom line, how they found a client, got a job, made a connection, learned about an event -- all from reading Santa Cruz Tech Beat.

Support *media that matters to Santa Cruz's economic future*!
