Digest #232

This week, we have an informative article from the Naval Postgraduate School Foundation in Monterey about using social media to predict social unrest. Find out what approach the NPS researchers are using to assess warning signs in the cyber domain.

Get the deets on TechRaising. Find out what AT&T is doing with fiber to the home (FttH) upgrades in one Santa Cruz neighborhood.

There's plenty more. Scroll down and starting reading the news you need to know.
