Digest #309

Thank you to Amazon and Plantronics for renewing their partnerships with us! We are grateful for all of our partners.

Women are still drastically underrepresented in computing careers. The Girls in Engineering (GiE) program at UCSC aims to help remedy this disproportion and bring a more balanced perspective to engineering and computing. Learn about UCSC's plans to significantly expand this valuable program.

As usual, there's more. Scroll down and see what's up.
