SANTA CRUZ TECH BEAT

The go-to source for Monterey Bay tech

Digest #199

We have the news you need to know!

Blueye Robotics, visiting from Norway, will be presenting at the Santa Cruz New Tech Meetup on Thurs, Sept 7. Their underwater drone is able to dive eight times deeper than the average scuba enthusiast. A company in Monterey is a leader in Flow Tech. What's that? Kudos to Santa Cruz City Schools for being awarded a \$300K NSF grant to bolster computer education in public schools. Kudos to Plantronics for being named "Business of the Year" by the Santa Cruz Chamber of Commerce.

And there's more. Scroll down and start reading.
