HERSCRIPT HACKS

Hack -- Learn -- Create

Create an app in a day!

Interested in coding and don't know where to start?

herScript can help!

We will take you and your team through the entire process of creating an app with a day of mentored development. No previous coding experience necessary.

Join us for a fun day of learning, creating, food, and prizes!

Admission Fee:

\$8 per person or \$20 for signing up with a team of 4

Sign up here: <http://tinyurl.com/herScriptHacks>

Who?

Students from ages 12-18 who are interested in programming.

What?

You and your team will be creating an app from scratch using MIT's App Inventor.

When?

April 23, 2016
10:00 am - 8:00 pm
Doors open at 9:30

Where?

Building B, 318 Union
St, Watsonville, CA
95076
