SANTA CRUZ TECH BEAT

The go-to source for Monterey Bay tech

Digest #256

Future Motion, makers of OneWheel, is featured in two articles this week. The company has recently moved their headquarters into a new location on the westside of Santa Cruz, with room to grow.. The new space includes development labs, design, engineering, sales, and customer support. The other article, written from an outside-of-CA perspective, describes a project involving Future Motion, Cruzio, and Siklu.

Have you heard of Rivetz? I <heart> Jane?

There's more, of course. Scroll down and starting reading!
