# SANTA CRUZ TECH BEAT

The go-to source for Monterey Bay tech

## Digest #309

Thank you to Amazon and Plantronics for renewing their partnerships with us! We are grateful for all of [our partners](#) .

Women are still drastically underrepresented in computing careers. The Girls in Engineering (GiE) program at UCSC aims to help remedy this disproportion and bring a more balanced perspective to engineering and computing. Learn about UCSC's plans to significantly expand this valuable program.

As usual, there's more. **Scroll down and see what's up.**
