Digest #365

Highway 1 washed out south of Big Sur last Thursday due to the massive rain storms. Starting with impressive drone footage of the washout, local technologist Kathleen Tuite has created a fascinating 3D model of the Highway 1 scene. She tells us how she did it.

How much do you snore? A new Fullpower-AI study of 850,000+ nights of sleep shows there is a statistical relationship between minutes of nightly snoring and BMI. Indeed, they report that weight, height, BMI, and snoring are all correlated.

As usual, there's more. Scroll down and start reading!
